

VIDEO CONFERENCING

COACHING - WORKSHOP - LECTURE

GLOBAL COVERAGE

Be anywhere in the world, we can work together via video conferencing.

With the agreed tool (e.g. Zoom or Skype), in the agreed time frame, you can participate in my Coaching, Workshops or Lectures.

For more information, please contact me.

100%

FOCUS ON YOU

This one to one solution is recommended for you if you want to improve your body language skills and geographically we are far from each other.

We regularly meet via VC. We use the methodology of coaching.

100%

TEAM FOCUS

For pairs and small teams it can be an ideal solution.

We significantly build on your observations and feedback to each other.

100%

EDUCATIONAL FOCUS

You can also hire me to do lectures for your class, school, community, division or company. After agreeing on what you need, we set up the time and date of the lecture. Your audience have the opportunity to ask questions and get the answers during the lecture.

100%

PERSONALIZED SOLUTIONS

USD 60 / 50 minutes

You do the homework and prepare for the sessions

You bring your observations and records

We analyze, interpret and create action plans together

The goal is to improve your nonverbal communication skills and knowledge you can put into action.

A photograph of three business professionals in a meeting. Two men are seated at a table, looking at a large monitor. The monitor displays a video conference with a man in a light blue shirt. The man on the right is holding a tablet. The scene is dimly lit, with a desk lamp visible in the background. A semi-transparent blue banner is overlaid across the middle of the image, containing the text 'CONTACT ME AT' and a website URL.
